

Local Producer Directory

JUNE 2025

The Alpine Shire and surrounding areas boast a huge diversity of high-quality produce.

By encouraging our visitors and businesses to 'buy local' promotes local businesses and product quality and helps to support the local economy.

There are many ways that you can buy local produce in our region, directly from the producer, at produce stores or at a farmers market.

To help support and promote producers in our region, we have put together a list of local producers within the Alpine Shire and surrounding towns – everything from fresh fruit and vegetables to beer and nuts!

Please note, this directory is not exhaustive.

Please get in touch to get your business added to the list by emailing economicdevelopment@alpineshire.vic.gov.au
