

Freight and Transport List

JUNE 2025

The Alpine Shire has a large food and beverage manufacturing industry.

Reliable transport freight and efficient logistics solutions are key enablers of business growth.

The Alpine Shire is well positioned with connectivity to Albury, Sydney and Melbourne via rail, road and air transport.

To help support producers in our region, we have put together a list of the options available for freight and transport in the Alpine Shire and surrounds.

Please note, this directory is not exhaustive.

Please get in touch to get your business added to the list by emailing economicdevelopment@alpineshire.vic.gov.au

Alpine Shire Council acknowledges the Traditional Custodians of the lands on which we work, live, and play. We recognise the continuing connection to lands, waters, and communities of all First Nations cultures across Australia and pay our respects to Elders past and present.
